To find our office, take I-75 to Exit 313 (Topinabee-Cheboygan exit). Once off the exit ramp turn onto Old 27 (from north, turn left; from south, turn right). Approximately ½ mile on the left is a Cheboygan-Otsego-Presque Isle Educational Service District sign. Turn left onto road just after sign which is Learning Lane. The COP ESD office building is on the left. If you entered the village of Topinabee, you have passed the COP ESD office.
